VELVET

For sofas, comfort is the premise of all designs. A soft and comfortable sofa can let you put down all your troubles and quietly laze in the sofa. Empty, meditate, daze as time goes by little by little... A sofa carries the laughter of the whole family

Away from the hustle and bustle, get rid of your tiredness, like a simple life, look down on fame and fortune, and enjoy a quiet and leisurely afternoon in a summer afternoon with a piece of light music, a waffle and a cold drink... At that moment, you lose your fatigue, I just want to lie down on the comfortable sofa and feel the comfort of home...
